**Coop Deposit for Android:**

1. The cooperative district name is required to select first before selecting the branch. Right now, it is allowing to select the branch name first which result the problem like on below screenshot. So, the validation is required on this case as well. (Please check the reference screenshot.)

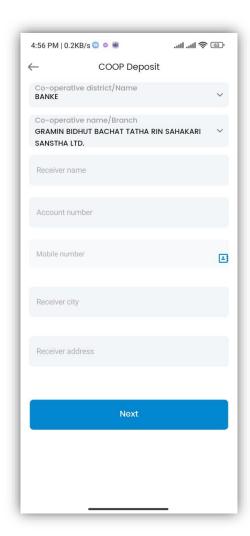

2. Search required o the cooperative district/name and cooperative branch field like on IOS.

District

ACHHAM

ARGHAKHACHI

BAGLUNG

BAITADI

BAJHANG

BAJURA

BANKE

BARA

BARDIYA

Branch

NARAPANI-SANA KISAN KRISHI COOPERATIVE LTD

KHACHHIKOT-SANA KISAN KRISHI COOPERATIVE LTD

KHILJI-SANA KISAN KRISHI COOPERATIVE LTD

SASHAKTIKARAN WOMEN AGRICULTURE COOPERATIVE LTD.

JANACHETANA WOMEN AGRICULTURE COOPERATIVE LTD

GANGA JABUNA WOMEN DEVELOPMENT AGRICULTURE COOPERATIVE LTD

ANNAPURNA KRISHAK COOPERATIVE LTD
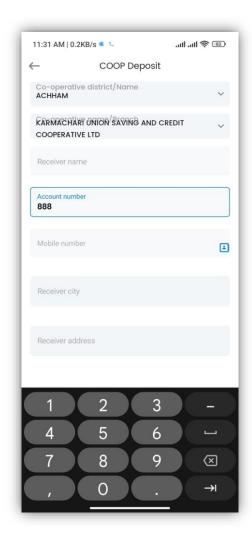

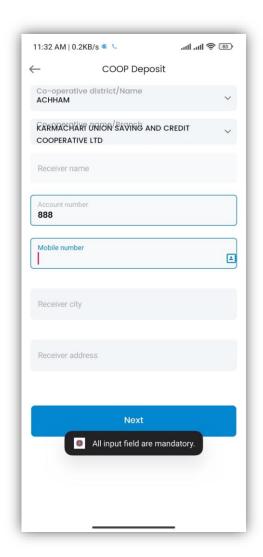

SAROKAR SAMAJIK UDHAMI MAHILA COOPERATIVE LTD

3. The format of the cooperative name/ Branch is being disrupted while selecting the multi-line cooperative name.

4. Account number field must be Alphanumeric.

5. The contact icon is not aligned on mobile number field.
6. Right now, the toast "all inputs are mandatory" pops up if all fields are not added. But even if some of the fields are being added, it is still showing the same toast. It is better to have the validation on each field like as on IOS so that even if the user misses to add some field, he/she can easily notice. (Please check the reference screenshot.)

7. Amount validation is missing. The minimum amount is Rs 10 on it.

Coop Deposit for IOS:

1. The multiline branch name is not displayed properly.

2. Account number must be alphanumeric. Right now, Account number digit is upto 15 characters only. Please increase the character limit on account number field.

3. Choose from contact option is missing.

4. Amount Validation is required. The minimum amount Is Rs 10 on it.

5. On transaction History list-> My order and my order detail, instead of "Coopdeposite" , please use "coop deposit".
